

March 1, 1995

LB 85, 275, 335, 414
LR 6, 16, 17

Moore and the commission, their schedules did not allow for the March 8 date. It was a hardship on them and the problem with regard to moving it beyond this date for off into the future was that the committee is not meeting after next week. So we had to bring it forward. Tomorrow was the date based on the agenda that the committee had where they would fit in. It's my understanding that there will be a very limited testimony on this, probably only myself as the introducer and an individual representing the commission as well as Senator Moore who will speak to them. So it's going to be limited in scope but we wanted to try to change the agenda, give people some notice and I will try to contact those folks who I think would have an interest in this area to let them know that the hearing will be moved up approximately a week. With that I would hope the body would support the motion to suspend Rule 3, Section 13 and allow for this change in a hearing date. Thank you.

SPEAKER WITHEM: Thank you, Senator Hall. Any further discussion? Senator Janssen, any closing? Closing has been waived. The question is, shall the rule be suspended? All those in favor vote aye, opposed vote nay. Have you all voted? Have you all voted? Record, Mr. Clerk.

CLERK: 30 ayes, 2 nays, Mr. President, on the motion to suspend the rules.

SPEAKER WITHEM: The rules are suspended. Senator Schrock, would you care to make a motion?

SENATOR SCHROCK: Mr. Speaker, members of the Legislature, I move that we adjourn until March 2, nine o'clock, a.m.

SPEAKER WITHEM: Thank you, Senator Schrock. Prior to taking a vote on that motion, Mr. Clerk, do you have any items for the record?
